The PAIRfect ITinerary

A futuristic storybook and introductory presentation to lead the playful child of you out of ego mind!

Did you hear the news? There is in fact an itinerary of great truth and pure fun that had always been under our nose, hidden in ancient scriptures and divinely traced to empower you to change your life for **GOOD**...

- **Are you ready to free yourself from ambivalences that bug you?**
- **Would the child in you like to come out and play in the sun today?**
- **Could there be a practical way to take the **Pink Elephants** out of the living room of humanity (the room in which YOU live)?**
- **Do you wish you could wake up from indoctrination, and enjoy the present?**

Available as a short talk, half-day, or full day seminar.

Rev. Dr Mahalene Louis, a.k.a. the QKabbalah Queen, is an Inspiration Anchor, a Futurist, an Artist, an Author and the President of Soulvision Axis, Inc., a company assisting the Leader, Officer, Visionary and Engineer in Self (or L.O.V.E. as the four primordial archetypes) to unleash their presence and awaken to their spirit by collaborating as One. She authored Book 1 to 5 of Healing the Jewish Agenda; If it weren't for family, food, sex and money, I would do great on Earth!, as a result of 23 years plus dedicated primarily to the knowledge of the Self, through to the embodied study of languages, religions, creativity, fine arts, science and human development.
