

## BEGIN HERE ... AND HEAR!

Whether you are Hindu or agnostic, whether you follow the Catholic FACE, the Pagan FAITH, the Jewish FACE or the Muslim FAITH, and even if you're a cat; it doesn't make any difference: you are ONE with everything... Why, then, are only a *choosing few* living the ONENess of LOVE in total GREATitude, with the mineral and the plant QKingdom and, of course, the animal QKingdom—cats, dogs and OTTER critters—who *naturally* (pun intended) have gotten the interdependence memo?

To answer this question, and since science has proved now that words create, we sent our special reporter to investigate the first and the last sacred writing of humanity, the *Torah* (Hebrew Bible), first and last on the ground of its language being spoken NOW in the exact form it was received an eternity ago. (The first recorded text comes from Sumer as *The Epic of Gilgamesh*. Sumerologists cannot explain to this day how come Semitic goddess Lilith, way in advance of any "official" Hebrew text, appears in the Huluppu Tree of Inanna, Queen of Sumer and heroine of the writing!) It was our *HOPE* that, in the Torah, our reporter could uncover a map to the *Peace on Earth and Good Will to All Treasure...*

We say "HOPE" as we really didn't believe that we could find anything that could make a difference in the planetary mess we have created for ourselves, under the guise of *being only humans!* Until...

## ... A NIGHT WITH THE QUEEN

*Why is this Night different from any other Knight [in shining armor]?*

Historically, the minor holiday of *Purim* (Hebrew: פורים for "lots") commemorates the courage of Queen Esther and the deliverance from Haman's plot to annihilate all the Jews of the Persian Empire. Yet it is so much more: Tradition has it that it is the only holiday that will still be celebrated at the end of times (*end of times* simply means "end of thoughts...") Why is Purim so unique? Our reporter is now interviewing LIVE Mahalene, the *QKabbalah Queen*, who spent the last 22 years plus making heART with the Pink Elephant of Humanity, Religion, and studying every text she could find, to finally hear in *Eagle English* (EE for short) a universal language so real, so *ISRAEL REAL*, that it has the power to effectively communicate the LIGHT transmission of the Torah.

- Purim is magical, Rev. Maha says, as it happens "in between time!" The Hebrew calendar is lunisolar, reconciling the 13 moons or *MOONths* in EE to the 12 solar months. 7 times during a 19-year cycle, a month (*Adar First or Aleph*) is added before the regular month of *Adar*, which is now named *Adar Second or Beth*. Purim occurs on the FOOL Moon, exactly one month before the 1st Full Moon of the Spring, when is celebrated Passover/Easter as one of the four Jewish New Year rites!
- Each month emphasizes a particular humor: the month of *Adar* is the humor of humors, having the good-god sense to be a time of jokes, of JOY, of PLAYsure, and of belly laughing.
- There are 4 commandments to Purim: 1) Feed the hungry (recommended at all times!) 2) Hear the public reading of the *Megillah* (for "scroll") from the Book of Esther, 3) Go to synagogue dressed up in a FUN costume, and 4) go to pray, having drunk wine *Ad Lo Yada*, which means "until you no longer know" that there is a difference between the good guy (Mordechai) and the bad guy (Haman).

In essence, the Queen continues, Purim is your perfect Buddhist Dharma (for "truth"), where, having let go of any identification with thoughts or any sense of separation, you place an order for your Kosher hotdog saying: "make me ONE with everything!" That "order" is clearly a joke since the meaning of Purim as "lots" implies that being *Free Willin' Free Wheelin' Creating Your Reality BUSIness* is an error that can be finally put to rest! Now the orgasmic YES of surrender comes rippling, obediently *fruitFILLing* and multiplying in waves of pleasure, screaming without boundaries, a loud YippEE! That is how, whereas the Law was given at *Shavuot/Pentecost*, which is classically viewed as a *major* holiday, it is only during the *minor Purim*, the holiday *for children*, that it IS received!

Well, Angel, "receiving" happens to be the translation of the Hebrew word *QKabbalah*; it is when on the screen, the obsessive mind tricks itself into projecting the words **THE END**, thus announcing in the NOW the Holy Messianic Instant when you exit the dark theater of pain, and come out ROSE and resurrected, to play in the SUN...

## The Future is NOW: This year in JerUSAlem!

Once upon a time, there will be a Little Prince, named Eagle English (EE for short). His best friend will be Princess SHEbrew. Together, they will COMMUNicate so much lightness of being that everything they touch will TURN to GOD and to GOLD... As the saLIVEa of their tongues mixes, an embodied language will be born (*embodied* means that IT says IT as it is, rather than being removed from reality). That language will be SO universally colorful that it will be EZ for Princes and Princesses (ALL of us are in Process prior to entering the QKingdom) to be so much in ONE HEAR T that you and I will HEAR each other as ONE, and then psychoBABEL will be no more... Well, Kind FolQKs, this future is NOW!

How did Prince EE and Princess SHEbrew know? First they were born and totally enjoyed having a piggy babe's body, putting their feet in their mouths or anything else they would find—a toy, a bug, a forbidden fruit—as naturally and as blissFOOLly as can be imagined! Then, kaBoBoom, they fell on their heads, heard the fear of grown-ups' minds, and instantly forgot they were heART and eyeNOsense! On top of that, they were taught to say "I" and "you," "yes, thank you" or "no, thank you" and bingo; ONEness was taken away for good... and for not so good! Worst of all, they were told that WORDs are serious business, that they couldn't cry, and that touching their pEEpEE was bad! That is how doubt and shame switched places with PoTENTIAL and PLAYSure... Now, each time they "put a foot in their mouth" (or whatever else they might enjoy putting there), they are made to feel ashamed for IT, and think they did something wrong!

Since being in PaRaDiSe carefree go lucky naked was no longer an option, they became split between Prince gottaDO and Princess BEasleep, raised either to be "movers and shakers" or to be "barefoot and in the KIDchen," and be given a hat to cover their heads... At first, each felt awkward wearing this cover, until they recognized that the changing hats deal was like CARNival and like a CAR, a rocket that they could take them to the moon! They were so aware that TOGETHER spells TO GET HER (HER= the devotion of Queen BEE!) that they eventually woke up from the nowhere of Scare City into the anointed presence of I AM NOW HERE. There, the River of Milk and Money turns into rainbows of M&Ms, so potent is the magiQK of the QKingdom. Its "QK" door, by the way, only opens when Queen and King are at ONE; doing from being... The more they feed on such integriTREE, the more rich emerald GRen and the more geneROsity they are/do/have 🎵🎶 be do be do wahh! That is how SHEbrew and EE, being the Aleph and the Omega, FLEW FELL-Falafel as FOOL In-LOVE... and, Abracadabra, separated no more (Abracadabra is Aramaic for "I create as I speak")! In LOVE they trUSt, knowing that LOVE = ONE, as in "whole-heARTed!" Remaining was to take a VOW and a few VOWels with them to KISS Sweetly and Simply the courageous among you out of Ego-Egypt and into FrEEdom!

EE and SHEbrew were a match made in heaven, before time began! It was written in the Good Book that, one day, all the mysteries (hear "all the confusing ignorance") would be seen as the HELLusion they are, and that we would ALL, as ONE body of AWAKEning HUMANity, be heaven-havin' the letters to speak our divine destiny and destination into being! Visibly (in blue, CAPS, and/or bold) the Indigo/END-EGO children, EE and SHEbrew, are bringing this future in the know, in such a CARtoonlike and COMpatient manner that all can SEE, believe, and receive the gift... Beyond being perfect, whole, complete and QKonnected, they travel on this awesome spaceship, the OLIVE MerkabaKITE (SEE card #2 letter b, as in "2b or not to be") making them FEAL so light they can fly, while being grounded in ETHERnal Light!

Their message is simple: have a happy BirthDeath party and LOVE yourself! Wear a hat or two, *until you no longer [need to] know...* until the judging you cannot help to make ("*this is Art, this is not Art*"), that prevents you from being the totality who can choose peace, becomes *The Last Judgment*, when you enter a space when you are divided no more! The lots are already cast: it was meant to be that we would, one person at a time, paint our MasterPEACE, as that creation is truly our only purpose! In practical support of that futuristic vision, EE and SHEbrew respectfully offer you 10 plus #0 hAT-CARDS, fashioned by such purity of LOVE that they can heal any suffering, and propel you into HATpily ever after (beside Point Zorro coming out of the knight, 10+0 evokes the 100% quota of entirety, meaning integriTREE!)

It also comes with a gem, a Lotus garNET to catch you when you jump, as the stone of the 13<sup>th</sup> Shamanic Tribe and the christALL hub of the Wheel formed by the Twelve. It shows you that you are a precious JEWel, strong enough to TURN the universal GReed of Giving/Receiving FEAR into the GRace of Giving/Receiving LOVE. Once your eye REMembers that the KISS of Truth sets you free, kindly give this pouch and ALL its BEaUTy content (BEaUTY as in *be you T* via the T-Turn To Truth) to another Prince/ss who thinks s/he has lost his or her POWER! Should you need more support, and/or just for FUN, the entire collection of 32 hATs comes with a book mapping out your exit, entitled *HeArTs off to you; the PoeTREE of LOVE on how to GoALL the way to your GoAL, get out of GAoL, not collect \$200, and buy this book instead!* This Bumble Bee Bible Book makes you an expert driver of the vehicle of MahaQKabbalah, for "The Great Receiving."
